You Belong With Me Lyrics with Chords

[VERSE – 1]

[G]You're on the phone with your girlfriend, she's up[D]set
She's going off about something that you [Am]said
'Cause she doesn't get your humor like [C]I do
[G]I'm in the room it's a typical Tuesday [D]night
I'm listening to the kind of music she doesn't [Am]like
And she'll never know your story like [C]I do

[PRE-CHORUS]

But [Am]she wears short skirts, [C]I wear T-shirts
[G]She's cheer captain and [D]I'm on the bleachers
[Am]Dreaming about the day when you [C]wake up and find
That what you're [D]looking for has been here the whole time

[CHORUS]

If you could [G]see that I'm the one who understands you
[D]Been here all along, so why can't you [Am]see?
You belong with [C]me, you belong with me[G]

[VERSE – 2]

[G]Walkin' the streets with you and you're worn out [D]jeans
I can't help thinking this is how it ought to [Am]be
Laughing on a park bench, thinking to my[C]self
Hey isn't this easy
And [G]you've got a smile that could light up this whole [D]town
I haven't seen it in a while since she brought you [Am]down
You say you're fine, I know you better than that
[C]Hey whatcha doing with a girl like that

[PRE-CHORUS]

But [Am]she wears short skirts, [C]I wear T-shirts
[G]She's cheer captain and [D]I'm on the bleachers
[Am]Dreaming about the day when you [C]wake up and find
That what you're [D]looking for has been here the whole time

[CHORUS]

If you could [G]see that I'm the one who understands you
[D]Been here all along, so why can't you [Am]see?
You belong with [C]me, you belong with me
[G]Standing by and waiting at your back door
[D]All this time how could you not know, ba[Am]by
You belong with [C]me, you belong with me

[GUITAR SOLO]

[G] [D] [Am] [C]

[BRIDGE]

Oh I remember you [Am]drivin' to my house
In the [C]middle of the night
I'm the [G]one who makes you laugh
When you [D]know you're about to cry
And I [Am]know your favorite songs
And you [C]tell me about your dreams
Think I [G]know where you belong
Think I [D]know it's with me

[CHORUS]

Can't you [G]see that I'm the one who understands you
[D]Been here all along, so why can't you [Am]see?

You belong with [C]me

[G]Standing by and waiting at your back door

[D]All this time how could you not know, ba[Am]by

[OUTRO]

You belong with [C]me, you belong with [G]me

You belong with [D]me

Have you ever thought just may[Am]be

You belong with [C]me, you belong with [G]me
